

## Request for Photographs or Videos

Photographs or videos will be part of our activities throughout the year.

Photographs and videos are such a significant component of teen culture in addition to being helpful to those who are visual learners. They provide us with opportunities to share the positive activities in which our teens participate.

We respectfully request parental/guardian consent to photograph or video teens during TYM activities. For personal safety and security, *participants will not be identified* unless specific written consent is obtained.

Parents/guardians of participants in TYM are advised that photographs or videos of participants may be used in publications, websites or other materials produced from time to time by the Youth Ministry Office of Blessed Sacrament or the Diocese of Raleigh.
